Design

Imprinting Guidelines

- Planetary Design can create custom colors for stainless steel products with a minimum order of 1,200 units.
- Planetary Design can logo or custom imprint all stainless steel products with a minimum order of 1 case; price breaks are given for twelve cases or more. Pricing structure is as follows and will be billed prior to delivery:

12 Cases or More

1 Time-Screen Build fee: \$30.00
Art fee: \$25.00/order
Imprint fee: \$0.75/impression

Less than 12 cases

1 Time Screen-Build fee: \$30.00
Art fee: \$25.00/order
Imprint fee: \$1.25/impression

For orders requiring a change of product style and/or ink color:

Item change fee: \$15.00/style
Ink change fee: \$10.00/ink

- An item change fee is required each time the printing machine is adjusted to imprint each style of mug. Cost per impression indicates the cost per unit per color. Therefore, double the cost if you have a 2 color logo.

- Artwork should be submitted in one of the following formats with a minimum of 300dpi, 2-color spot max for units with handles, 1-color spot max for units without handles (imprint size will be within 2.5" wide x 2.5" tall); vector art is preferred

- .psd (photoshop)
- .tif
- .eps
- .ai (illustrator)

- Upon receiving the artwork a detailed proof with accurate positioning and size will be sent for final approval. Lead time is approximately 10-15 business days.
