## INSTRUCTIONS

### Roast Beef Havarti Ciabatta

Roast Beef with Horseradish Chive Havarti on a Multigrain Ciabatta  
Instructions

This sandwich features the "NEW" Natural Roast Beef from Hormel which is the best roast beef. Topped with the Horseradish Chive Havarti, that is new in stock. Presenting this on a multigrain Ciabatta gives it a trendy more healthy carrier. Serve with fruit to keep it "fresh".

1. Shave the Roast Beef and place four ounces on the bread.
2. Top with cheese, lettuce, tomato and mayonnaise.
3. This sandwich is great hot or cold.

Enjoy!!
